Chair/Stool Foldable-(Wall Mounted)

Art No.	704
Colour	White
₹	5490

FEATURES

- Weight capacity upto 150 kgs.
- **Strong and Sturdy:** This Chair has stability with high weight-bearing capacity upto 150 Kg , making the bench super strong and sturdy.
- **Foldable & Space Saving:** Shower chair can be folded flat against the wall, when not in use. This makes movement extremely easy in small bathrooms or shower space.
- **Stylish & Comfortable:** This chair has an elegant classic white design with a metal silver trim, smooth top surface, and rounded corners; due to which this single accessory raises the aesthetic value of a space.
- **Practical:** The folding shower bench from Viking is far more practical than bathroom chairs/stools with legs, such stools act as hurdles in movement and need to be put in and out every time for use.
- **Low Maintenance & Durable:** Non Corrosive material & no maintenance requirement make it perfect for areas with low upkeep & public places.
- **Multipurpose & Versatile:** Though primarily referred for bathroom use, this is not just a bath or Shower Chair. This chair serves many areas without much space like
 - Trial rooms
 - Hospitals
 - Near shoe racks (wearing and taking off shoes)
 - Old Age facility/ Home
 - **Geriatric Suitability:** One of the most dominant features of this folding chair is the comfort and ease it provides for the elderly. One of the risky places for an aged person is a wet bath floor, common but quite unsafe, and this foldable shower bench sure provides a lot of stability in such cases.
 - **Medical Purposes:** Other than the above mentioned probable usage, this foldable stool is extremely handy in case of cases requiring extra care like in case of
 1. People with a knee problem
 2. Pregnant ladies
 3. People having trouble to sit on the floor.

Rugby Urinal Mat Screen Anti Odour

- Best for Public restrooms, Restaurants, Stadiums, Schools and Offices.
- Fits easily : Flexible design conforms to all urinals, ideal for men classic and water less urinals.
- Reduces splatter : This urinal screen is specifically designed to reduce splashing and splatter in the urinal.
- Anti-block : Urinal screens are effective means of keeping urinal drains clear flowing. These mats fit over the drain and act as a net to catch waste such as cigarettes, paper and chewing gum.
